APRIL 22

The students and staff are all glad the weather is warming up a bit. Students will be finishing up AIMS science testing and will be participating in the AZ Merit testing on April 4-14th. There will be no school on Monday April 18th for observation of the Easter Holiday. Thursday April 21st (time to be determined) the students and staff are hosting a multicultural event here at the school for community members and family members to attend. Students are asked to research their ancestries and where they came from. Students will be giving presentations on the different cultures represented in their research. Once the time is determined it will be posted on the Bouse Bugle. We hope to see you all there.
