

Bouse Elementary

Congratulation to Dakoetah, Mrs. Parker's 5th grader for placing 10th in the La Paz County Spelling Bee on February 16th. Ehrenberg won first place with Quartzsite being runner up.

Students have been doing Galileo testing that started Feb 27th and ends March 9th. The Galileo test is used by the school to prepare the students to perform their best on the State test, now called AASA (Arizona Academic Standards Assessment) that is taken in April. All students complete the Galileo testing even though only grades 3-8 participate in the AASA testing. The 3rd Quarter ends on March 9th at which time teachers will be having parent teacher conferences. Spring break for the students is March 13th-March 16th. Our 5th & 8th grade students will have the Arizona Science Test which is the state level assessment that measures student proficiency of the Arizona Academic Content Standards in Science on March 27th.

Bouse Elementary is having an silent auction for the solar panels that were removed from the roof in 2021 prior to the roof being resurfaced. We have 128 panels 66 ¼" X 39" (Schott Brand) and 3 Sunny Boy Inverters that will be auctioned as a package. The solar panels had not been working in previous years and we were unable to find anyone to come out to Bouse to service them.

Community members are able to come view the panels on March 20th-21st from 9AM-2PM.

Starting bid is \$100.00. Bid sheets are available in the school office. Bids will close March 22nd at 10AM at which time all bids are final. The highest bidder will be notified March 22nd at 11AM. Only United Stated Money Orders, Certified Checks or cash shall be accepted for this auction. Winning Bidder must pick up all solar panels and converters by Thursday March 23rd at 2PM.
