

## Bouse Elementary School- May

The student just finished up with State testing last month. The first week of May our K-6th graders will be taking DIBELS testing. (Dynamic Indicators of Basic Early Literacy Skills) DIBELS is a set of procedures and measures for assessing the acquisition of literacy skills. They are designed to be short (one minute) fluency measures that can be used to regularly detect risk and monitor the development of early literacy and early reading skills in kindergarten through sixth grade. Thursday, May 18th the students will be taking a field trip to Jakes Unlimited. They will have a day full of Laser tag, carnival rides, Arcade games and bowling.

The Last day of school is Wednesday May 24th and is a half day with students being released at 12noon. Graduation will be that night starting at 5:00PM. We have three 8th graders that are graduating and heading to high school. Congratulations to Cheyenne, Emilee and Shalom, your education is a dress rehearsal for the life that is yours to lead!

During the summer (month of June and July) the school office will be closing at 4PM Monday thru Thursday. If you have a student you need to register for kindergarten please stop by the office to complete an enrollment packet. Students must be age 5 by September 1st of that year to start kindergarten. **Please remember** to schedule your student(s) their dental exams, medical exams and immunizations during the summer so they do not miss school. Any questions please call the school office at (928)851-2213. School starts Wednesday August 2, 2023.

Have a great Summer!
